

Group assignment #2

Create the final version of the game!

The game idea can be changed!!

Things to be done

1. The game

- Make a **final** version of the game. (2D & single-player game)
- Make sure other people can **download** & **play your game**.
- Prepare the **executable files**.

2. Final Game Design Document (GDD)

- **Demonstration** of the genre, game mechanic, and concept...
- How **randomness works**, How to play the game.
- Etc.

Group assignment #2

Presentation (20-30 minutes) <19, 26/November>

- **Description:** game rules, gameplay mechanics, narrative, etc.
- **Provide a Demo play** of your game.

Things to submit (One submission per group)

1. Game project files and executive files
2. Updated Game Design Document (pdf)
3. Presentation File.
4. Each member's contribution (What each member does?)

All files **must be zipped** (GroupNo._GA2.zip)

Please put your name and IDs on all of the submissions.

Submit on Google Classroom.

Deadline: Monday 18th November 23:59
